

All times are Central European Time (CET)				
Monday 4th September 2023				
14:00 – 14:15	Welcome by BMAS President			
14:15 – 15:00	Scientific Lecture	Christian Wolfrum, Switzerland	Physiology of white, brown, and beige adipocytes	Moderators William Cawthorn and Maria Grandoch
15:00 – 16:00	Networking Activity	Christopher J. Hernandez, USA Martina Rauner, Germany William Ferris, South Africa	How to write grants and grant opportunities in US, Europe, and Africa.	
16:00 – 16:10	Poster Pitching			
16:10 – 16:55	Scientific Lecture	Pouneh Fazeli, USA	Hormonal regulation of BMAT	Moderators Andre Van Wijnen and Kaisa Ivaska
16:55 – 17:45	Scientific Workshop	Alexander Rauch, Denmark	Delineation of transcriptional control of marrow adipogenesis	
17:45 – 18:30	Career Development Workshop	Alexander Rauch, Denmark Konstantin Horas, Germany Pouneh Fazeli, USA	Career Path: Academia	Moderators Drenka Trivanovic and Rossella Labella
18:30 – 19:30	Scientific Workshop	Camille Attané, France	Isolating adipocytes from bone marrow	
19:30 – 20:00	Poster Discussions			
Tuesday 5th September 2023				
14:15 – 15:00	Scientific Lecture	Pamela Gehran Robey, USA	Skeletal stem cells niches and BMAT	Moderators Thomas Ambrosi and Ling Qin
15:00 – 15:45	Scientific Workshop	Miriam A Bredella, USA	BMAT imaging	
15:45 – 16:00	Poster Pitching			
16:00 – 16:45	Scientific Lecture	Susanta K. Hui, USA	BMAT and malignancies	Moderators Jeroen Geurts and Izabela Podgorski
16:45 – 17:30	Scientific Workshop	Greet Kerckhofs, Belgium	New tools in bone microstructure analysis – contrast enhanced computer tomography	
17:30 – 18:15	Career Development Workshop	Ethan Sarnoski, USA Petra Hamerlik, UK	Career Path: Industry	Moderators Hongshuai Li and Andrea Beňová
18:15 – 19:00	Networking Activity	Miriam A Bredella, USA Petra Hamerlik, UK	How to deal with negative results	
19:00 – 20:00	Poster Discussions			
Wednesday 6th September 2023				
14:15 – 15:00	Scientific Lecture	Maya Styner, USA	Exercise, diet and BMAT	Moderators Jason Horton and Erica Scheller
15:00 – 15:45	Scientific Workshop	Ormond MacDougald, USA	Mice model for BMAT: Assessing BMAT in rodents	
15:45 – 16:00	Poster Pitching			
16:00 – 17:00	Career Development Workshop	Michaela Tencerová, Czechia Thomas Ambrosi, USA	Establish your own laboratory	Moderators Tânia Amorim and Biagio Palmisano
17:00 – 18:00	Networking Activity	Michaela Tencerová, Czechia Thomas Ambrosi, Germany Ormond Macdougald, USA	A path to reach independency in science	
18:00 – 18:30	Poster Discussions			
18:30 – 18:45	BMAS 2024 Presentation			
18:45 – 19:00	Conclusion Remarks and Awards
